

Dept. of Chinese Language & Literature

The Chinese Literature course is notable in that all of the Departmental academic staff have specialized in areas of Classical Chinese Literature and therefore offer creative and in-depth focus on various aspects Classical Chinese Literature. The department has been already established with Korean Literature in Classical Chinese 30 years ago which is one and only case among the graduate courses of Chinese Language and Literature in Korea.

The Department aims to train its students into specialists in their respective areas based on sound basic knowledge of Literature, History and Philosophy combined with data analysis, research methods and theory understanding. Students will reach academic standards which allow them to form creative original research and literary criticisms and thus contribute to the development of Chinese Language and Literature studies. The knowledge gained from these courses will also allow students to form comparative studies with other literary works of art such as Korean Classical Literature.
